# CLIME ICLEM

CANADIAN LEADERSHIP  
INSTITUTE FOR MEDICAL EDUCATION

**February 8-11, 2010**  
**Ottawa, Ontario**

The **Canadian Association for Medical Education (CAME)** and its partners have created **CLIME** to develop national leaders in medical education.

**CLIME** is designed to meet the needs of individuals who are engaged in leading initiatives that will promote excellence, innovation, change, and scholarship in medical education.

**ICLÉM/CLIME 2010 will be presented in French.**

Produced in collaboration with:

The Royal College  
of Physicians and Surgeons  
of Canada

Le Collège royal  
des médecins et chirurgiens  
du Canada

*Medical Council  
of Canada*

*Le Conseil médical  
du Canada*

**AFMC**  
The Association of Faculties  
of Medicine of Canada  
L'Association des facultés  
de médecine du Canada

The College of  
Family Physicians  
of Canada

Le Collège des  
médecins de famille  
du Canada

By the end of CLIME, participants will be able to:

- Identify their professional goals as leaders in the health professions and discuss ways of achieving these goals
- Analyze their own leadership styles and consider how style influences practice, using different models of leadership and change
- Apply a framework for analyzing change to specific situations in their own professional contexts
- Identify different conflict management styles and negotiation strategies
- Describe an approach to establishing and leading effective teams
- Define “scholarship” with respect to medical education and discuss strategies to foster scholarly work

**“An excellent course!  
What a privilege to be part of such a great  
endeavor with such a dedicated group of  
leaders!”**

**- CLIME 2008 PARTICIPANT**

The Institute is geared towards medical educators who are in a position to implement new skills in the workplace. Teaching and learning methods will include: interactive lectures, individual assignments, self-reflection, small-group sessions, team work, and opportunities for networking. Moreover, case examples used during the program will be directly applicable to medical education.

*This course will be offered in French.  
Space is limited to 32 participants.*
